

MIXING TUBS & SPOT BOARD STANDS

MIXING TUBS

- heavy duty black plastic tubs
- for mixing & gauging
- plaster & cement
- epoxy & mortar
- can be used for material handling & transport

The mixing tubs are produced in heavy gauge plastic and are tapered for easy stacking

The narrower 32 ltr tub with hoop handle is often used for finish plaster and coatings

The wider 65 ltr and 90 ltr are used for heavier, bulky materials including hardwall and render

The trug is produced from a flexible plastic compound which is easy to clean and to remove old plaster and cement from
