These trowels are premium quality trowels for plaster, rendering and cement trades

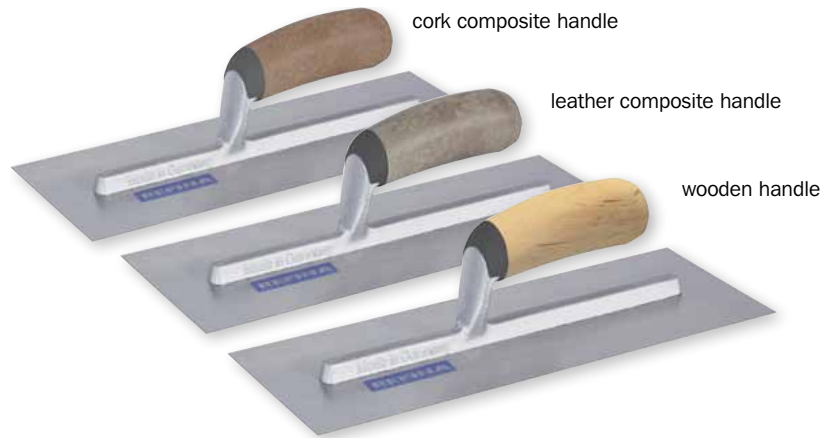

They are made from the finest and flattest chrome stainless steel for rust free use, manufactured using the most modern production techniques and hand finished to ensure the finest trade quality trowel

The newly improved and lightweight trowels are produced with a slimmer shape handle and are mechanically broken in. The soft blue composite handle has been redesigned, is comfortable on the hand, easier to grip and reduces muscle and joint strain

Our range of additional handle options are available in either leather, cork or wood and can be easily changed to suit user preference
