

### FINATEX® TROWELS

- hand finished premium trowel blade
- super flat plastering trowels
- the straightest finishing edge
- slightly radiused corners
- machine chamfered side edges
- chrome stainless steel, rust free
- produced with soft composite blue rubber handle
- new composite leather & cork handles in stock
- made in Germany

These trowels are premium quality trowels for plaster, rendering and cement trades

They are made from the finest and flattest chrome stainless steel for rust free use, manufactured using the most modern production techniques and hand finished to ensure the finest trade quality trowel

The newly improved and lightweight trowels are produced with a slimmer shape handle and are mechanically broken in. The soft blue composite handle has been redesigned, is comfortable on the hand, easier to grip and reduces muscle and joint strain

Our range of additional handles include leather, cork and wood that can be easily changed
